...Life is not measured by the number of breaths we take,
but rather by the places and moments that take our breath away.

Re: Future Travel Plans

Over the years, Teresa Beall Expedition's list of travelers has morphed into an address book of cherished friends, kindred spirits, and fellow wanderlusters.

We'd like to add you to that book.

It's time to consider your future travel plans. We're asked over and over about whether we create private journeys. Yes! It's our specialty. We have itineraries ready-to-go or we can start from scratch. Or better yet, consider joining one of our select group tours. Come aboard a boat, a plane or a train (or an elephant) for a journey that's way out of the ordinary. We can even help you private-jet your way to nirvana if you wish!

The possibilities are endless. For more details on our private or group journeys, call us at 530-342-6999 or log onto our web site for a taste of what could become.

Once you travel with Teresa Beall Expeditions, you become a member of our "Passport Society", and you'll be entitled to several perks:

- Frequent Traveler Bonus. If you take two trips within 12 months, enjoy a five percent discount on the second trip's land portion.
- Bring-a-Friend Discount. Bring a new traveler who's never taken a Teresa Beall Expedition (TBE) on one of our group trips and receive \$50 off of your trip. Bring two, and receive \$100 off. And so on and so on.
- Gather-a-Group Discount. Put together a group of at least 15 friends who have never traveled with us before and accompany them as the 16 traveler for free. Gather 10 new travelers and you'll pay 50 percent of the tour cost.

Happy travels. And remember, good travel is more than sightseeing. It connects us with people who waltz, tango or boogie through their lives to a surprisingly different beat. While we're in their neighborhoods, take the time to dance with them. You'll return home with a little of their rhythm tucked inside.

Best, Teresa
